Freestanding Exclusives by MTI

Stunning freestanding tubs handcrafted exclusively for Ferguson Bath, Kitchen & Lighting Gallery by the artisans at MTI Baths.

WATSON ◦ 64" × 35" × 21"

Watson is a contemporary free-standing tub with very clean lines, a flat rim, center-center drain and a slim integrated overflow.

This elegant tub is handcrafted using MTI's proprietary mineral composite mixture, largely composed of natural minerals mined from Georgia's earth mixed with resins. The glossy finished product is solid thru and thru, smooth, lavish and warm to the touch with high insulation properties to help keep bath water warmer longer.

Watson is available in white as a soaker or with MTI's state-of-the-art air bath system, designed to be not only the most therapeutic in the world, but also the most hygienic.

See other side for the Willa freestanding tub.

Freestanding Exclusives by MTI

Stunning freestanding tubs handcrafted exclusively for Ferguson Bath, Kitchen & Lighting Gallery by the artisans at MTI Baths.

Like the Willa 1, the Willa 2 is a graceful, freestanding tub of transitional design that features a gently rolled lip and a discreet integrated overflow. The compact Willa 2 is perfect for tight spaces.

Willa 1 and 2 are handcrafted using MTI's proprietary mineral composite mixture, largely composed of natural minerals mined from Georgia's earth mixed with resins.

WILLA 2 – Rear Center Drain
58" × 31" × 20"

These glossy finished products are solid thru and thru, smooth, lavish and warm to the touch with high insulation properties to help keep bath water warmer longer.

Both Willa models are available in white as a soaker or with MTI's state-of-the-art air bath system, designed to be not only the most therapeutic in the world, but also the most hygienic.

WILLA 1 – Center-Center Drain
66" × 36" × 22"
