ADJURE • 65.75" x 32" x 23.5"

Adjure is a sleek freestanding tub of contemporary design, featuring a flat rim, center drain and a discreet integrated overflow.

This charming tub is handcrafted using MTI's proprietary mineral composite mixture, largely composed of natural minerals mixed with resins. The finished product is solid thru and thru, smooth, lavish and warm to the touch with high insulation properties to help keep bath water warmer longer.

Adjure is available standard in white as a soaker, or with MTI's state-of-the-art air bath system, designed to be not only the most therapeutic in the world, but also the most hygienic.

Exterior colors of matte white, gray or black are also available.
